To  
Hongfei Wu  
Professor  
Anhui university of Chinese Medicine, China  
Sir/Madam,

It's a great pleasure to mention that we are organizing 5<sup>th</sup> IUPHAR World Conference on the Pharmacology of Natural Products & 51<sup>st</sup> Annual conference of Indian Pharmacological Society (IPS) to be held at ICMR- National Institute of Nutrition, Hyderabad, Telangana, India from December 4-7, 2019'. The theme of the conference is "Natural Medicines for Healthy Ageing: from Molecular Targets to Therapy".

The conference is being organized at ICMR- National Institute of Nutrition, Hyderabad, Telangana, India in association with Indian Pharmacological Society and IUPHAR-NP with an objective to develop evidence based medicine framework for advancing natural products drug development through promotion of international academic exchange and cooperation. Many research organizations both in Public and Private sectors are distributed throughout the country in research and promotion of natural products.

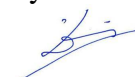

The above mentioned activity has been initiated in this year and proposed to have Pre-symposium Workshop, Eminent Resource lectures, Themed based symposia, Free communication presentations and other related activities. Prof. Hongfei Wu from Anhui university of Chinese Medicine, China will be participating as **Presenting author** in the above mentioned conference. The title of the presentation is: Gandou Decoction decreased copper levels and alleviated hepatic injury in a rat model of copper-laden hepatolenticular degeneration

In view of this we are extending this invitation to Prof. Hongfei Wu for participation in the **5<sup>th</sup> IUPHAR WCP-NP, 2019 from 4<sup>th</sup> - 7<sup>th</sup> December, 2019.**

The Organizing Committee will be very glad to provide any further details as desired.

Thanking you

y/s

Dr. B. Dinesh Kumar  
Organizing Secretary

**Note: We acknowledge the receipt of your abstract for Free Communication at 5<sup>th</sup> IUPHAR WCP-NP, 2019 INDIA.**
